## Third Newsletter

From our autumn trip to China, we brought various new items. In this product information sheet we show you our selection for garden season 2012.

### TOOL TROLLEY

Handy trolley for garden tools to store and take it to the garden, so you have everything at hand to get started. Metal frame, hammered coated with sturdy plastic wheels. Complete with large 19-litres bucket and smaller bin. **Includes handy waist strap** for small tools storage. Dimensions 42x53x100 cm.

### ROLLING BUCKET

Large plastic bucket with a capacity of 40 liters. Fitted with sturdy plastic handle and wheels. Maximum load 70 kg. Ideal for collecting and transporting garden waste, or can be used with window washing or car washing. In various colors.

## FLOWERS NOZZLE

The lawn will greatly be cheered up by placing the floral sprayers. Available in various designs. Made of plastic, with universal connection for garden hose. Can be supplied in handy display cartons.

## ARTIFICIAL FENCE

Brighten your fence or balcony fence with this evergreen climber. Simple and quick installation. Consists of a mat of plastic mesh with polyester leaves. Easy to clean with water. Supplied in roll of 1 meter high and 2 meters wide in a plastic bag with color brochure.
